

MorClick Satellite Internet Solutions, in partnership with YahClick (powered by Hughes), turns your home into a hub of connectivity for the whole family – no matter where you live!

Our refreshing solutions offer your family all the advantages that reliable, high-capacity Internet has to offer; e-learning, online banking & shopping, entertainment and staying connected to family & friends all over the world. The opportunities are endless!

So whether you are searching for a job, looking for love, streaming music and movies, watching your favourite sport or looking to optimise your home automation and security - MorClick has a package to suit everyone under your roof.

KEY BENEFITS AND APPLICATIONS

- Cost-effective, fast and reliable connection
- Internet browsing, e-mail and social media
- Unlimited data
- Wide-reaching coverage
- Products in varying speeds designed to suite your family needs
- Support multiple user sessions i.e. while one family member watches the rugby – other family members can still surf the net, check Pinterest or search for a nice recipe to make for supper
- Optimised to mitigate and limit weather fluctuations
- Local service and support

WHO IS MORCLICK?

MorClick Satellite Internet Solutions is a South African Telecommunications Company, in partnership with YahClick (powered by Hughes), that offers cutting-edge broadband satellite services in South Africa. Our differentiator is that we deliver reliable, high-speed Internet connectivity to businesses and homes - partnering with your community to instantly connect you to the Internet via a small satellite dish and modem - from even the remotest places in South Africa.

MorClick offers different package options to suit your budget and needs.

HOW DOES IT WORK?

Installation is quick and easy.

We cover all the standard equipment costs, including modem, router and satellite dish when you subscribe with us.

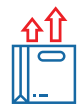

**Travel costs may apply. Ts & Cs apply.*
